A workshop on creating a world that is Sustainable, Spiritually Fulfilling, and Just

This workshop, developed by the Pachamama Institute and presented worldwide, will give you:

- ◆ **An understanding of the crisis we face and the thinking that underlies our environmental problems**
- ◆ **Inspiration/insights from video clips featuring some of the most visionary people and authors of our time**
- ◆ **A new vision of society and an appreciation of the extraordinary possibilities emerging at this time in history**
- ◆ **Greater hope as you learn about creative solutions and the millions worldwide working for change**
- ◆ **An opportunity to engage in interaction with kindred people and see the critical role you can play**

COST: *On a donation basis (\$15 suggested)*

FOOD: *Coffee & pastries served at 9. Vegetarian lunch provided.*
