

A luncheon seminar for congregations

The Benefits of LED Lighting

Good for your bottom line and the Earth

18
H

Friday, November 15

11:30 AM - 1:00 PM

111 W. 10th St., KCMO

In cooperation with Sustainable Sanctuary Coalition, HD Energy Solutions invites facility managers and Green Team leaders to attend our complimentary lunch and seminar on LED Lighting.

Learn how one congregation's lighting audit showed how they could save \$5,400 a month!

Please RSVP: 816-215-4446 or
mike.myers@hdenergysolutions.com

What you'll learn:

- Inefficiencies of standard lighting
- How Led lighting developed
- Facts on lighting audits
- LED rebates: state local, federal, and city
- Why T8 and T5 fluorescents are not the answer
- Pricing
- Return on investment
