

WEBSITE RESOURCES for: Water Sacred and Profaned Workshop

ECO-JUSTICE MINISTRIES

<http://www.eco-justice.org/>

Provides very helpful discussion and guide on how to deal with and develop churches that are just getting started, showing some leadership and action, or are transformational in the greening of their congregations. Also, provides an excellent review and procurement information from many sources on curriculum for Christian faith groups that can be sorted by age of participants and length of the study.

CREATION JUSTICE MINISTRIES (National Council of Churches Eco-Justice Programs)

<http://www.creationjustice.org/>

<http://creationjustice.org/water/>

Links on right of page to manuals on water conservation and Water stewardship of local watersheds.

<http://creationjustice.org/resources/>

Links to:

- [For I Was Thirsty: A Resource for World Water Day](#)
- [Water Stewards: A Toolkit for Congregational Care of Local Watersheds](#)

<http://creationjustice.org/water/LearnMore.php>

Links to many education, prayer, and policy resources. Learn about world water policies our sacred oceans, and the future of clean water in our most fragile places. Check out the two locations Eco-justice has focused our effort and learn more about them; Bristol Bay and Chesapeake Bay (links).

- Links to Water footprint and build a virtual water cube:
- Other resources like “watershed canticle of creation”

ECUMENICAL WATER NETWORK

http://water.oikoumene.org/en/get-Involved/EWN_FactSheet_Virtual_Water.pdf

PRESBYTERIANS FOR EARTH CARE

<http://www.presbyearthcare.org/advocacy-h20.html>

How to overcome the bottled water habit. Links to trifold on overcoming bottled water habit and link to pledge, plus many other resources.

SIERRA CLUB

Trifold on bottled water: Learning the Facts and Taking Action. Gives a good discussion also on the value of water as a public resource and not a commodity.

http://www.sierraclub.org/committees/cac/water/bottled_water/bottled_water.pdf

Other Bottled Water Resources

WATER ISSUES IN KANSAS

Friends of the Kaw

<http://kansasriver.org/protect/>

Website gives information on issues relative to the KAW and how to maintain a health river in general from the “riverkeepers” perspective, of which they are an alliance member.

“Water Issues in Kansas: A Survey of Public Perceptions and Attitudes about Water”

<http://www.soc.iastate.edu/extension/pub/tech/SP292.pdf>

A 2007 Study done for the Heartland Regional Water Coordination Initiative by Iowa State University Dept. of Sociology.

Kansas Energy Information Network: Kansas Water Issues

<http://www.kansasenergy.org/water.htm>

Many citations from current news articles in Kansas about water issues and primary information resources about the situation in Kansas. Good how-to information on rain barrels also.

Compiled by Sustainable Sanctuary Coalition (ssckc.org)
